

Now \$9.50 To NET Amateurs

The MAYO INSTRUMENT COMPANY offers to the amateur their new type "Q" double button all purpose Microphone, heretofore only offered to broadcasters, recording studios, etc.

This is truly an instrument you will be proud to own. It uses the new ground center, heat treated, duraluminum diaphragm which insures sensitivity, absence of hiss, and a frequency response equal to microphones listing up to \$75.00. This new and improved microphone is a precision instrument built to rigid specifications and is broadcast size, measuring $3\frac{1}{8}$ " diameter x 2" thick, 200 Ohms per button and finished in pure silver.

GUARANTEE — We unconditionally guarantee all MAYO microphones for a period of one year and will repair or replace free of charge any microphone becoming defective through normal use in that time.
