

QSL PRIZE WINNERS!

HUNDREDS COMPETE IN

Sylvania

\$500 PRIZE CONTEST

● Hundreds of licensed amateurs competed in Sylvania's QSL contest which closed February 4th. Literally thousands of QSL cards from other amateurs using Sylvania Graphite Anode Transmitting tubes were received. The winners did a lot of hard work, and Sylvania congratulates them as well as all of the other contestants who failed to win an award. Prizes have already been sent out to the following winners:
