MEMORIZE THE CODE IN THREE HOURS

by the Corydon Snyder Code Method

AMATEURS tell your friends who want to learn
the code, about this method. One Amateur writes
"I tried it on a friend who has learned it at
an astonishing rate. I surely will recommend
your course to all whom I find interested." (Name
upon request.) Price \$1.00 Money back within
one week if they fail to memorize the code for
the alphabet. No words or phrases to learn first.
